

4Bolton Recreation Commission

Directors Report

August 27, 2015

In Attendance: Pat C., Tammi D., Deborah G., Wendy B.

Absent: Don R., Joan B., Cheryl R., Rob M.

6:05-7:00PM

1. Budget 2016
2. Review of Summer Programs and Events-Attendance
 - A. For Future Planning: No shows on Friday Nights
 - B. The M/W/F sports free sports program
 - C. Would like to hire 2-3 16 year old counselors for the Day Camp. This could lead to a possible lead counselor position at age 21. I will increase training and prep days for all counselors from 3 to 5 days.
 - D. Will be increasing Adventure trips back up to 6/summer due to increased popularity. I will likely change it from Adventure Wednesday to Field Trip Friday as this will allow older children in the day camp to participate in more activities and not conflict with their camp trip schedule.
 - E. Looking into scheduling a Family Fun Day at Camp Walden in the Fall.
 - F. Will be advertising for the Recreation Center Attendant position

Other:

1. Day Camp- A fee of \$375 was voted upon, with a reduction for each additional child. I will begin advertising for BCS students earlier with the option for parents to begin making payments throughout the winter for convenience

Respectfully,

Michelle Huck
