 - B. Boat Cruise
 1. Donations
 2. The LG Steamboat Company would prefer that alcohol be sold during the cruise, as they have given the Town a discounted rate and would like to increase profits through the sale of alcohol.
 - C. Sally Defty "Silver Sneakers" request-
 1. Silver Sneakers is a senior fitness program for older adults. The goal of the recreation department would be to run a program in May and June as a trial.
 2. I have contacted Health Ways in an attempt to obtain an instructor who would be able to offer a Silver Sneakers class in Bolton Landing Sept-June. I would also like to continue Zumba and incorporate a yoga class as well during these months. Currently there will be three fitness classes available in July and August: Yoga, Hula Aerobics, and Hula Zumba.
 3. Ms. Defty also inquired/suggested transportation for seniors program in town, as she feels many people need assistance getting to appointments, shopping, etc.
 - D. While on my maternity leave if anyone needs to contact me the appropriate means would be through my Recreation Department phone #928-3176 or email boltonrec@yahoo.com only. I will be paid hourly for approximately 6-8 weeks before returning for the summer.
