4. Other
 1. I have been presented with a unique opportunity to assist in bringing Louis van Amstel, professional dancer from "Dancing with the Stars," to Bolton Landing. I have not used all of my occupancy tax money this year and would like to provide his host, Patty Brown, at least \$750.00 in order for him to teach a free LaBlast fitness class, Q&A, photo opportunities, and ask participants to donate a nonperishable to the Bolton Food Pantry or Heat My Neighbor Program. This first event would occur in the morning.

A second possible opportunity is being discussed to have Mr. van Amstel teach a Line Dancing Class in the late afternoon on the same day. Again, this event would be free if an additional \$750.00 could be paid to him. Participants would be asked again to make a donation to a local organization.

I am in discussion with the Sagamore Hotel for a location for the morning event, and BCS for the afternoon Line Dancing event. There is enough money remaining to pay the \$750.00 fee for both classes. I would like to be able to offer minimally \$1,000.00 at this point, as I am still considering booking a children's event in December. There is a PR person who will be involved with the event if the locations work out. This would mean possible TV coverage, live Facebook shoots, and great promotion of Bolton Landing.
