ZONING DISTRICT: RR 5/10 Rural Residential

§ 200-14. SCHEDULE OF USE REGULATIONS

Density	Purpose	Permitted Uses	Permitted Accessory Uses
Rural Residential zones are divided into two different densities; RR-10 where one principal building is allowed for every 10 acres and RR-5 where one principal building is allowed for every 5 acres	To enhance the subsistent rural character of Bolton and the lifestyles of its peoples; steep slopes, river basins, limited soils and limited access to hamlet areas make intense development difficult and expensive to service, warranting low-density restrictions.	<ol style="list-style-type: none"> 1.
