PUBLIC HEARING

ADOPTING AN AMENDMENT OF ORDINANCE #40 REGULATING PARKING WITHIN THE TOWN OF BOLTON

WHEREAS, the Town Board wishes to amend Ordinance #40 regulating parking within the Town of Bolton to clarify that the loading unloading zone in the Town Hall parking lot may only be used for loading and unloading of persons or property and that no overnight parking is permitted anywhere in the Town Hall parking lot; and

WHEREAS, New York State Town Law authorizes the Town Board to regulate parking within Town-owned parking lots by Ordinance; and

WHEREAS, Town of Bolton Ordinance #40 regulates parking within the Town and specifically in or on Town-owned lots like the Town Hall parking lot and access road and an Amendment has been prepared which would accomplish this change and a Public Hearing was held on such Amendment; and

WHEREAS, the Town Board has reviewed the draft Amendment of Ordinance #40 and considered any comments provided at the Public Hearing, and finds that it would be appropriate and desirable to adopt the Amendment of Ordinance #40;

NOW, THEREFORE, BE IT

RESOLVED, that the Bolton Town Board hereby adopts an Amendment of Ordinance #40 to prohibit overnight parking anywhere within the Town Hall parking lot, including the access road into the lot from State Route 9N and providing that only loading and unloading of persons or property are allowed within the marked loading and unloading zone; and

BE IT FURTHER

RESOLVED, that the Town Board authorizes and directs the Town Supervisor, Town Clerk and/or Town Counsel to execute any required documents and take any and all actions necessary to effectuate all terms of this Resolution.

Jim Irwin stated he was here for parking issues on Maple St., Lower Horicon Ave. and Stewart Ave. Supervisor Conover explained that this legislation dealt specifically with what was stated. Mr. Irwin said that Maple St. was not safe. Supervisor Conover stated that they have been

looking for options to alleviate this difficulty. He stated they would look at some solutions.

- Resolution to close the Public Hearing

RESOLUTION #194

Councilmember Cleavland moved, seconded by Councilmember Murnane to close the Public Hearing. **All in Favor. Motion Carried.**

- Resolution pertaining to amendment to Ordinance #40

Supervisor Conover explained that this was a request from the Chief of Police for enforcement purposes.

RESOLUTION #195

Councilmember Murnane moved, seconded by Councilmember Wilson to approve the amendment to Ordinance #40 as follows:

WHEREAS, the Town Board wishes to amend Ordinance #40 regulating parking within the Town of Bolton to clarify that the loading unloading zone in the Town Hall parking lot may only be used for loading and unloading of persons or property and that no overnight parking is permitted anywhere in the Town Hall parking lot; and

WHEREAS, New York State Town Law authorizes the Town Board to regulate parking within Town-owned parking lots by Ordinance; and

WHEREAS, Town of Bolton Ordinance #40 regulates parking within the Town and specifically in or on Town-owned lots like the Town Hall parking lot and access road and an Amendment has been prepared which would accomplish this change and a Public Hearing was held on such Amendment; and

BE IT FURTHER

RESOLVED, that the Town Board authorizes and directs the Town Supervisor, Town Clerk and/or Town Counsel to execute any required documents and take any and all actions necessary to effectuate all terms of this Resolution. **All in Favor. Motion Carried.**

Convene as Town of Bolton Board of Health

RESOLUTION #196

Councilmember Cleavland moved, seconded by Councilmember MacEwan to convene as the Town of Bolton Local Board of Health. **All in Favor. Motion Carried.**

SEPTIC VARIANCE

PUBLIC HEARING – SEPTIC VARIANCE

S22-26. Menzies (Applicant) seek the following variance(s) per Ordinance 36 of Bolton Town Code: Setback from waterbody: Address: Leotine Island. SBL: 186.11-1-1. Owner: Menzies.

1. Variance 1: The applicant seeks relief from the setback requirement between a waterbody and the septic disposal field. The required setback is 100', the proposed leaching system is 27' from Lake George (estimated); therefore, the relief sought is 72'. Additionally the applicant seeks relief related to edge of raised fill area. 18' proposed, 100' required. 82' of relief requested.
2. Variance 2: The applicant seeks relief from the setback requirement between a waterbody and the tank (Busse System). The required setback is 50', the proposed tank is 12' from Lake George. 48' of relief requested. Additionally, applicant seek to site Busse system immediately adjacent to existing dwelling 10' required, 10' relief from Busse system to dwelling requested.

RESOLUTION #197

Councilmember Wilson moved, seconded by Councilmember Murnane to close the Public Hearing. **All in Favor. Motion Carried.**

Tom Jarrett of Jarrett Engineering presented the following:

- The property currently has 2 old drywells.
- 1 drywell is north of the house and the other is to the east of the house.
- Both drywells will be removed and replaced with a Busse System.
- He detailed the way this system works.
- They need variances for the tanks proximity to the lake shore and the dispersal system location to the shoreline.
- They are proposing roughly the same separations that exist to the lake with a vast improvement to the treatment.
- This system offers extremely high quality effluent and meets NFS245 for nitrogen removal.
- He discussed the EPA handout that was included in the application.
- He stated that the maintenance of the system would be addressed with the town engineers.
- He discussed the size of the system and safeguards.
- This system far exceeds the EPA standards for secondary treatment.
- They will be submitting monitoring reports to the town.

Supervisor Conover stated he likes the fact that they monitor the Busse Systems that they have already installed. Steve from Busse stated that they are testing the systems and discussed the significant reduction of nitrate rates on these existing systems. He explained that they are working on ways to capture and reduce phosphorus with these systems for the future, which entails an extra tank and reverse osmosis. Mr. Jarrett stated that the Town of Bolton has taken a leadership role in trying to upgrade their wastewater standards and the LGPC is following this.

- Resolution designation Bolton Town Board as lead agency under SEQRA.

RESOLUTION #198

Councilmember Cleavland moved, seconded by Councilmember MacEwan to declare the Bolton Town Board as Lead Agency under SEQRA for the proposed septic variances for Parcel ID # 186.11-1-1. Property Location: Leotine Island. **All in Favor. Motion Carried.**

- Resolution regarding SEQRA & LWRP determinations.

SEQRA

1. Do any of the Board Members have concerns with any of the items listed 1 through 20 in Part 1, on the SEQRA Form as submitted by the applicant? No

2. Will the proposed action impact any of the items listed 1 through 11 in Part 2 of the SEQRA Form? No
3. Do the Board Members agree that this project will result in no adverse impacts on the environment; and therefore, an environmental impact statement need not be prepared?
Yes

LWRP

Do any of the Board Members have concerns with any of the items listed in Part C., 1 through 3 of the LWRP Waterfront Assessment Form. No

Based upon the materials submitted and accepted as part of the record, our findings are as follows:

- A. The Applicant's SEQRA & LWRP submissions, and our analysis of the issues presented, demonstrates that there are no significant environmental impacts or concerns, and it is hereby determined that the action to be taken is consistent with the Town of Bolton Local Waterfront Revitalization Program policies and standards.
- B. The applicant has provided clear and complete responses to issues recited in the SEQRA questionnaire and based upon all information reviewed by this lead agency in its SEQRA analysis, including a thorough "hard look" and consideration of the applicant's entire submission, and upon all board and public comments received, it is appropriate in the opinion of this lead agency to make a finding that the proposed action will result in no adverse environmental impacts and that any identified adverse environmental impacts will not be significant, or where identified, are sufficiently mitigated by virtue of the conditions imposed in granting approval.

RESOLUTION #199

Councilmember Wilson moved, seconded by Councilmember Murnane to make a negative declaration with regard to SEQRA & LWRP for the installation of a replacement septic system, for Parcel ID # 186.11-1-1. Property Location: Leotine Island. **All in Favor. Motion Carried.**

- Resolution for Menzies, Parcel ID # 186.11-1-1. Property Location: Leotine Island

RESOLUTION #200
