

The Bolton Recreation Department

Dear Summer Camp Parents,

In order to limit the potential spread of COVID-19, The Town of Bolton will be closing all buildings to the public until further notice. In regards to Day Camp Registration, I will be accepting completed applications in the following ways:

1. via email, scanned and returned to boltonrec@yahoo.com (Preferred method)
2. postal mail at
Town of Bolton
POBox 7
Bolton Landing, NY 12814
attn: Michelle Huck
3. For the time being, a box will be placed outside of the Town Hall for people to leave bills etc. in. This is not a preferred method and should be used only as a last resort. I am not working on site and will not receive your application for some time if it is dropped off at Town Hall.

In order to allow all BCS families the opportunity to register, but who may not otherwise have access to this updated information, I will be accepting and processing applications from ONLY BCS students from March 24-April 23. This will allow for the same advanced registration as usual once Bolton Central School reopens on April 20. Non BCS students may still submit their completed applications at this time, but I will not process them until April 24. I will contact NON BCS students after April 24 to confirm availability.

Updated Payment Requirements: Deposits will no longer be required with your applications. A deposit will be requested by May 1, 2020. Final payments will be due on or before June 19, 2020. As usual, I am happy to set up payment plans or discuss other options on a family to family basis.

I request that you contact me confirming receipt of this message and to inform me of your plans to register (or not) this season. I will remove you from the email list if necessary, or continue to include you in on updates regarding this program as any changes/updates become available. I encourage you to share this information with any BCS students who have expressed interest in participating this year but have not been enrolled in the past.

You may check <http://www.boltonnewyork.com> for updates and to find the Day Camp Handbook and Day Camp Application as well, but they are also attached for your convenience.

Thank you for your patience and understanding during this difficult time.

Sincerely,
Michelle Huck
Recreation Director
