

Veterans Memorial Park

Master Plan

Community Input Form

The Town of Bolton invites you to provide your feedback and ideas for the development of a Master Plan for Veterans Memorial Park, one of the most significant public waterfront resources within our community. The Master Plan will ultimately serve as the blueprint for future improvements within the Park, and community input is a crucial part of the plan.

The Project Advisory Committee has prepared a draft summary of the existing park users, uses, deficiencies, and preliminary proposed program elements (*please see the reverse side of this sheet*).

Based on this preliminary information, please provide any additional feedback and ideas you may have. In addition, please let us know your thoughts on the preliminary proposed program elements; Specifically:

- Do you agree with the draft ideas shown?
- Do you feel an idea shared is not appropriate for the Park?

Please share your thoughts below and return this form to the Town, C/O Susan Wilson, Deputy Town Supervisor. As an alternative, please feel free to share your thoughts via email to the Town, susanwilson.bolton@gmail.com or our consultant, The LA Group, Tim Larson, tlarson@thelagroup.com.

We look forward to receiving your feedback!
