5. Other
 1. Visiting today is Jenn Trowbridge. She has received approval for girl's grades 3-8 to participate in the Warrensburg girls' softball league. She wonders if it is possible to remove the mound from the little league field so that the girls may have a few home games at the Bolton Recreation Park. *Can they use the girls field at BCS?*
 2. I have scheduled a NYS Boater Safety for July 8, 2015 from 9:00-5:00 PM at the Bolton Community Center, 50 Edgecomb Pond Rd, Free for ages 10-17 ages 18+ \$10.00. I have offered this program to the day camp students and the public. Individuals born on or after 5/1/96 are now required to successfully complete an approved course in boater education in order to operate a motorboat. To Register: email or call Michelle at boltonrec@yahoo.co or 518-928-3176, please include your child's name, age, and a contact phone number.
 3. A help wanted ad was placed 3/21-24/15
 4. Cleaning Schedule-Janette F. will be working FT beginning April 1. We have discussed her taking over more cleaning duties in the Rec. Center as well as at the C.C. I will provide her with a schedule of my activities and update the list with each season or as needs change.
 5. I would like approval to enroll in two online training classes, Lifeguard Management \$58.00 and Anaphylaxis & Epi Auto Injector training for \$20.00. I would also like to participate in CPR approx. \$110, and a First Aid Class \$190. There is also a Team Building Facilitator Course for \$260 which may prove helpful as well. These

certifications would allow me to take the older day camp children on separate field trips.
