2. Beach Set up and orientation
3. Bryan F. began work 5/22/14, and will work the same schedule as lifeguards until June 19 when we open full time.
4. Review the Summer Calendar
5. Requests/Reports made: The lights on the pier were not working on prom night. The Veteran's park lights were not working last summer, and it is a safety issue while children use the playground at night. Requesting additional lighting in Rogers park, especially in August, after events it is extremely dark on the hillside and a safety concern for many people. Rob M. said that he would look into these concerns.

Next Meeting: 6/26/14

Respectfully,

Michelle R. Huck
