Absent: Wendy Burkowski, Don Russell

1. Fourth of July-

Previously Chris Gabriel's was given a gift certificate by The Bolton Business District as a way to thank him for volunteering his barge and time during the Fourth of July activities. A price of \$500 has been suggested to pay Chris Gabriel's for his time during the Fourth of July activities now that the Recreation Department is hosting the event.

2. Christmas Tree lighting-

This will be the first year the Recreation Department hosts this event, and I am propose the following changes. Instead of distributing gifts, which is already done by the Fire Department on Santa Night, we can offer more activities, including pony rides, small animals for viewing and petting, fire pit and s'mores, and provide light food items (chili or soup) instead of hotdogs. Christmas Carols, hot chocolate, and the hay ride will still be offered.

3. I will be scheduling either a Halloween or Christmas themed puppet show, based on availability of The Puppet People, to be shown in October or December.

Respectfully Submitted,
Michelle Huck
