Councilmember Tim Coon

Wastewater:

- Total flow for the month 3,642,490 gallons for a daily average of 122,000 gallons.
- We have assisted the highway and parks dept. with snow removal and plowing roads.
- We have cleaned several lines around town due to some small blocks that occurred.
- We have had several alarms due to high water and rags in some of the pumps at the stations. Also, power issues at the plant.
- We have conducted bio sampling twice this month. The results have been anywhere from 40-60% nitrate removal.
- On 12/25 we had a plug at the main station. The plug was in the pipe inside the building. There was grease plugging the line.
- We had our yearly flow calibrations done at the plant. There were no issues, and everything passed.
- We have been working with Kathy and mark Suozzo on the designs for the upcoming grant for the bio reactors and the plant.

Water:

- Total flow to distribution for the month of November is 11,113,510 gallons with a daily flow average of 358,500 gallons.
- Responded to several U.F.P.O. requests.
- Conducted all general maintenance at the water plant and P.R.V. stations.
- Snow removal on all hydrants directly after snowstorms.
- Monthly total coli-form tests were taken according to the sampling schedule.
- New Neptune radio read meters were installed with customers who required repairs on old manual read meters.
- On 12/2/2020 NYRW was on site to leak detect our subdivisions. NYRW did not find any leaks in the subdivisions.
- On 12/4/2020 upon investigating a potential leak on 9n we located our system pressure relief valve was stuck open. We had Ross valve come up and do a service on all of our P.R.V's and a re-build on the pressure relief valve.
- After completing the re-build our daily flows have dropped by an average of 40,000 gallons per day.

Assessor:

- Sales continue to be received by this office daily and the file is kept up to date with address changes.
- The valuation process for the 2021 Assessment Roll has begun.
- The office has received the PDC (Pre-Decisional Collaboration) report from the state and we fully expect a 100% equalization rate for the 2021 Assessment roll.

Councilmember Susan Wilson

Planning Office:

- During the month of December, the Planning Office collected fees in the amount of \$550.00 for items that include Certificates of Compliance and Septic Permits.

Councilmember Wanda Cleavland

Police:

- 21 patrol shifts, 188 reportable activities & 176 property checks.

Supervisor's Report:

- Deposits: \$ 1,057,378.88
- Disbursements: \$ 1,191,867.24
- Warren County sales tax receipts comparison through November -1.2% (not exactly sure why November was so strong but heading in right direction).
- Warren County occupancy tax ending cash balance through November, \$2,098,823. Year-end ending cash projection \$2,147,451 (Overall receipts are much better than originally anticipated).
